**Registration Process for Alumni and Supporters Residing in the Philippines and Other Countries**

***Gold Coast Hotel requires reservation with acceptable credit cards (i.e. Visa, Master Card or AmEx). It is suggested that you make arrangements with a friend, relative or associate residing in the USA to make reservation on your behalf. If you are unable to do that, CLSUIAA can provide some help. Please follow this process:***

**Step 1.** Notify the Hotel coordinator and CLSUIAA Vice President Rob Bugawan, that you are interested to make a reservation in the hotel for your party. Provide Rob the following information such as name, type of hotel accommodation, number of occupants, dates of check-in and check out, and contact information (i.e. email address and phone number).

**Step 2.** Rob will contact the hotel to get a total price quote. He then provides this information back to the participant.

**Step 3.** The participant makes the payment to Banco de Oro in US dollar as quoted by the Gold Coast Hotel. Rob has set up an account with the Wells Fargo Bank in the USA and will provide you the Wells Fargo (WF) account number for direct transfer to that account. In case Banco de Oro will not permit direct transfer of funds to the WF Account, you can remit the amount via the WF ExpressSend or similar vehicle with Banco de Oro. For those coming from other countries, remit the funds to Rob using any method of remitting funds from that country to USA.

**Step 4.** Notify Rob that you have already made the deposit. Rob can check his account electronically to verify such deposit was already made or provide Rob the transaction number. Shortly after verification of payment, Rob makes the final reservation and payment to the Hotel using his credit card.

**Step 5.** Rob sends the electronic confirmation of hotel reservation to the participant.

**Rob's Contact Information:**
