Note: This event is held outdoors. Weather in Las Vegas may still be warm at this time. The average maximum temperature in Las Vegas in September is 95 °F and the average minimum temperature is 66 °F. While the temperature is hot, it rarely feels that hot because the humidity is low. The average humidity is 27%. Please dress accordingly.

The Association is planning to sell collared white shirts with CLSUIAA logo for fund-raising during the Grand Reunion. We encourage participants to wear those shirts during the Sunday event.
